## SUMMER HOLIDAY PROGRAMME 2016

It's always good to get feedback and especially good to know that Rumpus Room's Holiday Programme is considered the BEST by both parents and kids alike.

Our underlying philosophy is that every child will leave our care:

- 1) knowing something new;
- 2) taking something new with them
- 3) wanting to come back.

Our return rate is impressive and cements the fact that our Holiday Programmes keep them coming back for more. Numbers are limited per session to maintain a personal and friendly dynamic between staff and children.

Holiday Programme sessions are structured to provide a great mix of free play teamed with activities hosted by enthusiastic and energetic staff in private rooms. On a hot summer's day, Rumpus Room provides climate controlled comfort and ultimate sun protection. The fact that food and drink is included makes your day even easier knowing that there's no packed lunches to worry about. Special nutritional needs are always catered for.

Our fun packed themed days will get everyone ready for Christmas. An ideal solution if you need a few hours to finish festive preparations. Build the excitement with us at Rumpus Room.

As an OSCAR approved childcare provider, we meet quality standards and work hard to plan and deliver fascinating and entertaining sessions. We accept WINZ subsidies. Do you know if you are eligible? You may be surprised by the thresholds, check out [www.workandincome.govt.nz](http://www.workandincome.govt.nz) for more details.

Talk to our staff about taking the 'ouch' out of the cost of childcare.

**Morning session 8.30am -12.30pm \$24**

**Afternoon session 1.30pm- 5.30pm \$24**

**Full day 8.30am - 5.30pm with hot lunch included \$48  
(Includes morning/afternoon teas & hot lunch)**
